By signing this application you are giving permission to the Zoning Department to access your property for purposes of inspection of this permit request.

Residential Construction: A site plan must be submitted with this application showing the size of the lot, dimensions and location of the proposed structure or addition and the existing buildings or structures on the lot from all property lines. One set of construction plans is required for new residential construction along with a house numbering slip and sewer or septic permit. Additional information may be required.

Commercial or Industrial Construction: Two site plans are required, together with two complete sets of construction plans. If new building a house number slip and sewer permit must be submitted. Additional information may be required.

Acceptance of an application is not acknowledgment that said application is complete.

Approval of the Fire Department (330.453.5880), Building Department (330.451.1770), Health Department (330.493.9904), RPC

PERMIT EXPIRES ONE YEAR FROM DATE OF ISSUANCE IF CONSTRUCTION HAD NOT COMMENCED.
